On June 5, 2009, charges were filed with the International Executive Council against Samuel W. Oaks, Jr., Card Number C18668, retired member of Local Union 306, IBEW, Akron, Ohio, by Stephen A. Stock, Organizer, also a member of IBEW Local Union 306.

### **ARTICLE XX AND XXI CASES**

The IBEW was not involved in any disputes arising under Article XX of the AFL-CIO Constitution, during the first quarter of 2010. We were; however, involved in one matter involving organizing responsibilities under Article XXI, as follows:

#### **Article XXI ORP 09-1 – Cingular Wireless (AT&T Mobility)**

This is the latest chapter in a dispute to which we had previously reported, which stemmed from CWA’s organizing campaign at AT&T Mobility, registered under the AFL-CIO’s Strategic Campaign Registration Program (SCRIP). IBEW Local Union 1547, which represents a unit of Dobson Communications technician and sales representatives in northern Alaska, was actively organizing a second Dobson unit when the company merged and became part of AT&T Mobility. The local subsequently filed an election petition for that unit, and CWA charged the IBEW with violating its SCRIP. The AFL-CIO Executive Council’s Compliance Subcommittee agreed, and as a result, Local 1547 withdrew its petition and ceased its organizing activities.

### **NORMAL PENSIONS APPROVED**

The International Executive Council approved six hundred sixty-three (663) normal pension applications, as follows:
