

Opportunity Knox.

You have everything to gain
by going to this year's
National Training Institute,
August 9–15, Knoxville, TN

Attention all IBEW members:

The National Joint Apprenticeship and Training Committee invites you for an intense week long training session at the National Training Institute in Knoxville, Tennessee, August 9–15, 2003. Come and learn all you can about the latest technologies in the electrical industry. It's in-depth. It's affordable. Most importantly, it's all relevant to what you do! Don't miss out on this great opportunity. It's all happening in Knoxville!

For more information, please fax your name, title, company name, and complete address to the NJATC at 865-380-9795—or email the info to stevea@njatc.org
