

IBEW FOUNDERS' SCHOLARSHIP

AWARDED ONLY TO IBEW MEMBERS

The IBEW Founders' Scholarship honors the dedicated wiremen and lineman who, on November 28, 1891, organized the International Brotherhood of Electrical Workers. Each year the officers of the IBEW are pleased to offer its working members scholarships on a competitive basis. It is hoped that the awards will not only contribute to the personal development of our members but also steward the electrical industry that our founders envisioned.

This award is for \$200 per semester credit hour at any accredited college or university toward an associate's, bachelor's or postgraduate degree in an approved field. The maximum distribution is \$24,000 per person over a period not to exceed eight years.

RULES FOR ENTRY

Eligibility Checklist

Founders' Scholarship competition is an adult program, to be used solely by IBEW members. It is NOT for the children of members.

1. Applicants must have been in continuous good standing and have paid dues without an Honorary Withdrawal for **four** years preceding May 1 of the scholarship year, or be charter members of a local union.
2. Each applicant must be recommended in writing by the local union business manager. If there is no business manager, then the recommendation must come from the local union president, system council chairman or general chairman.
3. At least two additional letters of recommendation must be sent by individuals who are familiar with the applicant's achievements and abilities.
4. Copies of all academic transcripts from high school, college, apprenticeship or other educational and developmental programs must be submitted.
5. A complete personal resumé is required. The resumé should outline education and work history, any special honors or awards, military service, involvement in union, local, civic, community or religious affairs.
6. Applicants are required to submit a 250-500 word essay. The title and topic must be: "How the Founders' Scholarship will benefit the International Brotherhood of Electrical Workers and the electrical industry." The essay must be typed and double-spaced.
7. Applicants must submit a test score from the SAT I or the ACT. NO OTHER TESTING SERVICES ARE ACCEPTABLE. Archived scores or new test registration may be obtained by contacting: SAT **www.collegeboard.org** or ACT **www.act.org**. To send scores directly to the IBEW Founders' Scholarship, the code numbers are 0485 for SAT and 0697 for ACT. It is strongly suggested that any new test taken should be the SAT I.
8. Materials need not be sent at the same time but must be postmarked prior to May 1 of the scholarship year.

Selection of Winners

Awards will be based on academic achievement and potential, character, leadership, social awareness and career goals.

The independent Founders' Scholarship Selection Committee will be composed of academic, professional and community representatives. They will examine the complete record of each scholarship applicant to choose the winners. All applicants will be notified, and the scholarship winners will be featured in the *Electrical Worker*.

Responsibility of Each Founders' Scholar

Scholarship winners must begin their studies in their next term or, at the latest, in January of the following year. Each term's earned grades must be sent to the Founders' Scholarship Administrator, together with a Founders' Scholarship Progress Sheet. After the first calendar year in the program, and by each August 1 thereafter, the annual Founders' Scholar paper is due. It must be at least 1,000 words on a labor-related topic, covering any aspect affecting the current labor movement or labor history. Scholarships are not transferable and are forfeited if the student withdraws or fails to meet the requirements for graduation from the school. If a serious life situation arises to prevent continuation of studies, the scholarship winner may request that the scholarship be held in abeyance for a maximum of one academic year.
